

Lakeside Plantation Community Development District

Based on the Governors Executive Order 20-246, the clubhouse and amenities will be moving to a Phase 3 of Florida's re-opening operation effective October 2, 2020. Please see below for the Phase 3 re-opening guidelines.

For All District Amenities

- Employee's temperatures will be monitored. Employees will wear masks.
- Public Health Guidelines such as wearing masks when around others outside of your own household, maintaining a distance of 6 feet from others outside of your own household, washing hands frequently, staying home when you are sick, and other measures to stop the spread of COVID-19 are encouraged for residents and guests.
- Signage to promote wearing masks, promote social distancing of 6' and frequent hand washing will be posted at all amenities and in high visibility areas.
- Amenity staff encourages and promote public health guidelines but do not enforce compliance.
- Residents should notify Amenity Management staff if you are diagnosed with COVID-19 and have used the amenities in the past 7 days. Affected amenity/amenities and nearby restrooms will be shut down if needed for cleaning and sanitization.
- No events (private or otherwise), indoor classes, or games/club activity are permitted within the clubhouse at this time.
- Residents/members use facilities at their own risk.
- It is the residents' responsibility to wipe down all equipment and surfaces with disinfectant BEFORE and AFTER use. The District does not offer disinfectant in all amenity areas. It is recommended that residents carry their own sanitizer

Office/Clubhouse/Library/Billiards Room

- Clubhouse limited to 25% of normal capacity (22 persons at any one time).
- Office limit of 1 non staff person at any one time.
- Library limit of 25% normal capacity (8 at any one time).
